The image shows a vertical energy label for a luminaire. At the top, there is a blue square icon with a white upward-pointing arrow. Below this, the text 'compatible avec des ampoules des classes énergétiques:' is written in black. The main part of the label consists of seven horizontal bars of increasing height, each representing an energy class: A++ (green), A+ (green), A (light green), B (yellow), C (orange), D (red-orange), and E (red). To the right of these bars is a large blue bracket that groups them together, with a small blue light bulb icon at the end of the bracket. Below the energy classes, the text '874/2012' is printed in black. At the bottom of the label, the number '00649' is printed in black. To the right of the label, the number '100649' is printed in black.
